Introducing the Class of Sixty-Six

Memory—the treasury and guardian of all things—CICERO

As graduating seniors we have many fond memories of our years at Nazareth Area Senior High School.

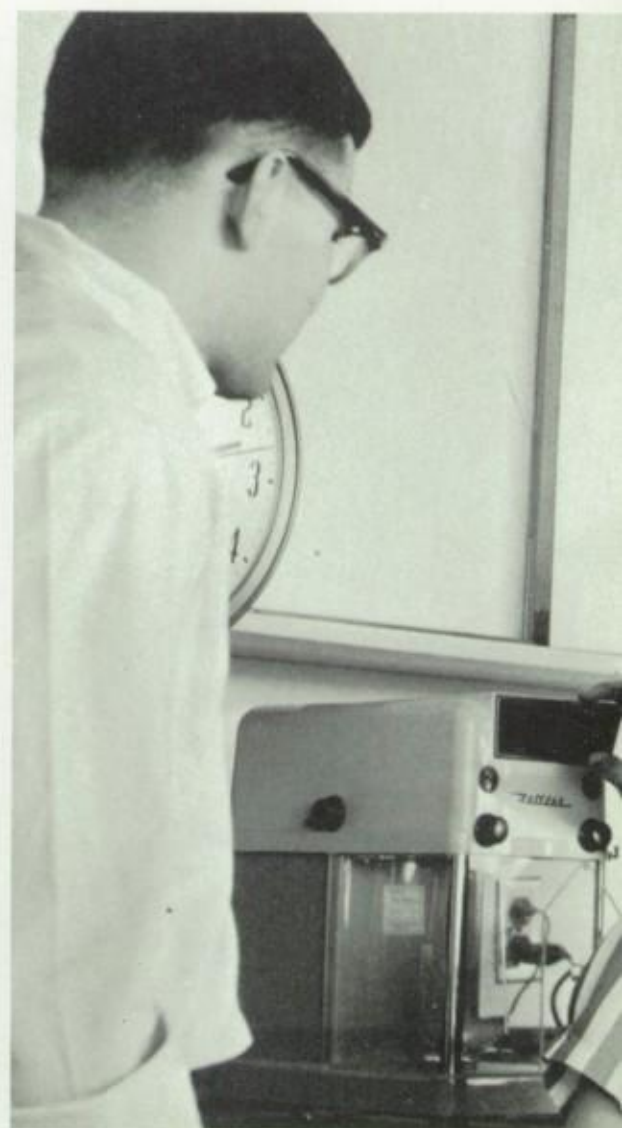

Our Sophomore year was filled with several new experiences—meeting our new teachers, taking new courses, and adjusting to a new environment.

We will always remember the many thrills and activities of our Junior year—receiving our class rings, taking College Boards, and holding a Mock Presidential Election. Our most memorable events, however, were winning two League Championships and tying for a third, and attending our first formal prom.

Though we have many fine memories of our years as Underclassmen, our year as Seniors will stand out in our minds. Especially outstanding in the memory of the Class of '66 is the dedication of our new Andrew S. Leh Stadium. That night will never be forgotten by anyone who witnessed or participated in the evening's events. Although this ceremony is one of the highlights of our year, there were many other events which will not be forgotten.

As members of the Class of 1966 we will always remember

N.A.H.S. Welcomes Dr. Moser, Our Second Exchange Teacher

Dr. Elisabeth Moser, a resident of Innsbruck, Austria, teaches English and First Year German in the Nazareth Area Senior High School. She loves winter sports and skis well. She likes teaching here in the U.S.A. She comments:

"In the beginning many things seemed very different from home, and it took me some time to get used to everything. Now, however, after six months I don't feel these differences any more,

and the longer I stay here, the better I like it. I wish the time wouldn't pass so fast; but I am sure also that I will come to the United States again."

We all are very proud to have had her with us, and wish she would remain. It will be sad to lose such a teacher. Dr. Moser is a hard working, devoted person, with true goals in sight. Her pupils will long remember her. The time is going fast for us, too. We hope some day she will return to Nazareth.

School Board Responsible for Policy

Insofar as time, finance, school facilities and circumstances permit, it is the goal of the directors of the school district to provide the following rights for pupils: (1) Equality of educational opportunity; (2) A program of education which will, consistent with their ability, equip pupils with essential skills, knowledges, understandings and attitudes needed for

effective living in the modern world; (3) A safe, healthful, comfortable and pleasant school environment; (4) Teachers who are emotionally well adjusted and who create in their classrooms an atmosphere of security, friendliness and fairness in order to foster the mental health of pupils. (5) Harmonious relationships between the school and the

home, based on mutual respect and trust; (6) A sufficient number of teachers to provide a high quality of instruction; (7) A type of instruction which will produce, within individual limits, a method of learning and thinking which in dealing with the problems of everyday living will enable pupils to formulate their own points of view through syste-

matic consideration of all facts and independent of efforts to coerce them into unthinking acceptance of any point of view; (8) An adequate supply of instructional tools and materials selected for their effectiveness in promoting the learning of pupils in the various school grades and subjects.

CLASSES

One hundred thirty-five boys and one hundred three girls who make up the Class of 1966 have contributed in many ways to our school's academic and extracurricular life.

Our fine sports record proves both our athletic ability and our school spirit. During our sophomore year we produced first-place teams in junior varsity football and basketball. In varsity competition the next year Nazareth was the league champion in both these sports and co-champion in track. Finally, eighteen of our seniors helped capture the football co-championship.

Academically, our class also excelled. Four seniors received Merit Scholarship letters of commendation. In addition, fourteen were members of the National Honor Society.

Many of us have been outstanding in music. In our junior year we placed one student in district band and six in district chorus. As seniors, sixteen were selected for this chorus. Members of our class composed about one-half of the A Cappella Choir that sang at the World's Fair.

SENIOR CLASS OFFICERS and their advisers count caps and gowns in preparation for Commencement Exercises. Kneeling is Historian BARBARA KECK. Standing are Adviser MRS. MILDRED METZ, President THOMAS PIATT, Secretary-Treasurer LINDA GOTTO, Adviser ANDREW BROCK, and Vice President ROBERT LONG.

On September 18, 1965, the dedication and first game in our new stadium filled us with great school pride and spirit.

Two months later, our auditorium was overrun with beatniks, bongos, and bagels as we presented "All Shook Up," the most successful Senior Class Play in years.

Just as important as the outstanding individuals of our class are all those who have somehow added to the school honor and spirit. Our willingness to work and our desire to succeed is shown by the time and energy we spent in supporting our teams, planning the prom and class festival, and selling play and concert tickets. This spirit of cooperation and determination will continue to aid us in working toward goals long after we are graduated.

Very important to us are the men and women pictured on this page. They help make our school life more enjoyable by keeping our school attractive and by preparing and serving delicious and well balanced lunches.

One of the countless jobs of our custodians is keeping the halls and classrooms free from litter. Janitors are summoned for just about anything from fixing the plumbing to opening a broken locker door.

Our cafeteria staff has the difficult job of preparing nourishing and pleasing lunches for the several hundred students who eat daily in the lunchroom.

LINDA YOUNG

Linda Young, Nazareth's first exchange student, is representing our school, our town, and our nation in Stuttgart, Germany. Her year abroad is made possible through the St. John's Evangelical Lutheran Church of Nazareth and the International Christian Youth Exchange Program. While in Stuttgart, Linda is residing with the Dr. and Mrs. Ottakar Basse and their two sons. Gisela, the Basse's daughter, is spending the year in America on a scholarship.

Dr. Basse, a church official, travels quite extensively in his work. During the summer of 1965, he and Mrs. Basse spent six weeks in America. Through their knowledge of our language and customs they are able to assist Linda in adopting to the customs of their country. Linda has traveled with her German father

to Austria and hopes to accompany him whenever her schedule permits.

While attending Koniges Olga Schiff, Natur Wissenschaft Gymnasium in Stuttgart, Linda's schedule consists of French, German, English, Latin, biology, religion, and mathematics. Classes for the girls begin at 7:45 and conclude at 1:30. Their school,

however, is open Monday through Saturday. At the completion of their years at this school, every student is required to take the Arbitur Test. The scores of this test determine who is qualified to proceed to a school of higher learning.

Stuttgart, a city of approximately 1,000,000 people, is considerably clean—as Linda reports, "Not a speck of paper anywhere." The main source of transportation is by train, better known to us as street car. Linda is taking advantage of the large city by attending many concerts and ballets.

We at NASHS are proud to be represented to the people of Stuttgart and hope that Linda will leave with them many favorable impressions about the American girl.

Memories of the Junior year are woven with the receiving of our school rings, our first harrowing experiences with the College Board tests, posing for our yearbook portraits and the planning and execution of the annual Junior-Senior prom.

Two hundred forty members constituted the Junior Class,

with special representation of three in District Chorus, one in District Band, and six in the Honor Society. Representation also extended to the various interscholastic sports and cheerleading.

Under the capable guidance of Robert B. Reichard and the leadership of President Donald

Jones, the Class of '67 has left an indelible mark upon the record book of the Nazareth Area Senior High School.

Exhibiting pride and promise, we, the Class of '67, move forward, willing to accept the challenges and excitement of our Senior Year.

SOPHOMORE CLASS OFFICERS AND ADVISER

SEATED: PATRICIA MANN, Secretary-Treasurer; JANET SANTO, Historian; RICHARD SNYDER, President. STAND-
ING: Adviser MRS. A. JANE JARRETT; BILL MARSH, Vice President.

Launching the final stage of their public school life, 225 Sophomores jammed the facilities of the F. A. Marcks building.

Proving their readiness to make a name for themselves in the annals of Nazareth Area Senior High School, members of the Sophomore Class have earned places on both the Honor Roll and the High Honor Roll. They have participated in successful seasons in our sports program, helping the

Junior Varsity football team to a successful season. Members of this class helped to highlight the musical season of the band and the Sophomore Choir.

The Class of '68 has had an auspicious start and will continue in this fashion to mark a place for itself in the tradition of Nazareth Area Senior High School.

Along with the required courses, English, World Cultures,

Biology, Health, and Physical Education, many electives are offered. Courses offered are College Preparatory, General Business, Secretarial, Practical Arts, and Vocational Education.

For the first time, Vocational Education was introduced into the curriculum. Thirty Sophomores have taken advantage of this offering, and are attending morning classes at the Easton Vocational School.

Students Exhibit Talents in Annual Variety Show

COUNTRYMEN NEIL KELCHNER, WILLIAM KEHOE, JOHN ABEL, and DAVID ALTEMOSE entertain the student body with their popular folk tunes.

JOHN STRIKE, ROBERT PRICE, ROBERT DROSNOCK, and EUGENE MILLHEIM strike a new beat during the annual Talent Show.

LINDA HUTH gives her imitation of a big league baseball pitcher.

Michiko Hamada, William Kehoe, Mr. Robert Reichard, Klaus Theobald and Kathleen Sours meet in the library to discuss a humorous experience. Micky resided with Kathy and her family during her year in Nazareth, while Klaus was a guest of Bill Kehoe and family.

Nazareth Area Plays Host to German and Japanese Students

Michiko Hamada came to us from Tokyo, Japan. She is staying at the home of Mr. and Mrs. Frank Sours of Nazareth. When asked how American schools differed from Japanese schools, she replied, "Everything is different. My school is a Christian School and only for girls. We don't move after each class as we do here, we just sit and wait for teachers. We must all wear uniforms and we never have to worry about clothing. Here it is quite the opposite."

We asked her, "Do you like

it here?" She replied, "I think the school is very bright and the teachers are very friendly." She says she has a little trouble getting used to speaking English.

Her favorite subjects are music and mathematics and her hobbies are playing piano, singing, and reading Japanese books.

Klaus Theobald, our German exchange student, hails from a town about 80 miles north of Frankfurt, called Alsfeld, which is a little larger than

Nazareth. Klaus resides with Dr. William Kehoe and family.

When asked how American schools differ from those in his homeland, Klaus said, "First of all, all American kids go to high school. In Germany we have three different types of school to attend after finishing fourth grade. It depends on what job you want to do.

"Secondly, we stay in the classroom and the teacher comes to us. We don't eat lunch in

school since school only lasts from 8-10 through the whole week.

"Finally, we don't have much chance to choose our subjects because we can choose the type of school we want to attend." Klaus, whose favorite subjects are chemistry and math, lists his hobbies as reading, swimming, sports in general, and music. His interests include "almost anything, or I wouldn't be here."

Michiko and Klaus use the library facilities to increase their knowledge of our "American Way."

Klaus and "Brother" Bill look for new material for Klaus' favorite subjects—chemistry and math.

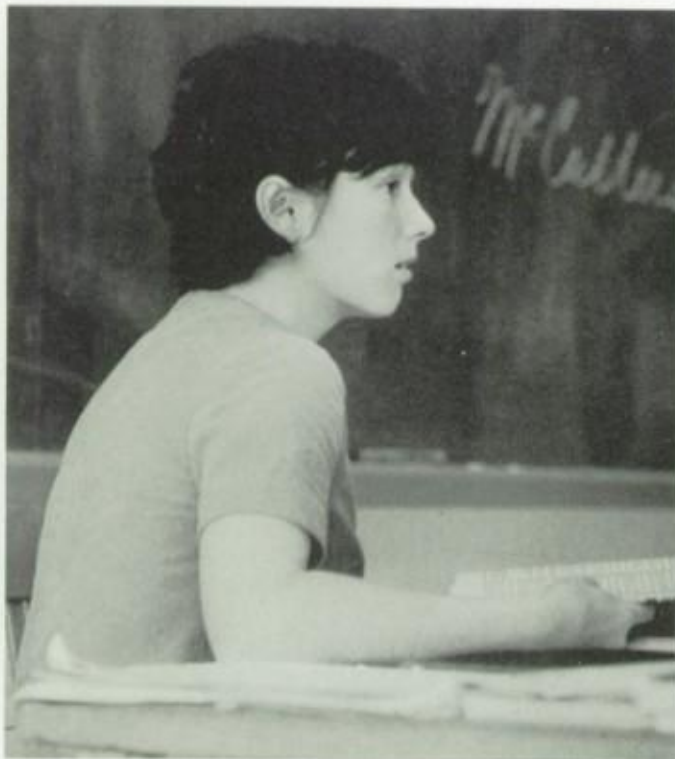

Michiko's American sister, Kathy Sours, helps her choose a book for a Social Studies report.

CURRICULUM

JACQUELINE A. WEST

JAMES R. EVANKO

JANE DECKER

We communicate and express ourselves through language, both oral and written.

Part of the English experience is the ability to do research projects. Library training is part of the program for sophomore English students.

Basic to the task of education is the need to develop skills and appreciations of the communicative facilities. Understanding of the values, ideals, needs, and wants comes through expression both written and spoken. Therefore, it is the aim of the English curriculum to guide the student in the correct application of his expression of others. Construction of proper expression of thought comes through the rules and regulations of grammar. Appreciation and understanding are presented in the study of literature. Together, this learning helps the student in expression of his individuality.

Guiding our students toward this goal are the capable members of our English department.

J. FREDERIC KNECHT, a graduate of the University of Pennsylvania with a B.A. and a M.A. degree, teaches junior and senior English. Mr. Knecht advises the Honor Society and is the coach for the Commencement speakers.

ALAN G. MILLER

ESTHER EISENBERG

J. FREDERIC KNECHT

JAMES R. EVANKO, a Moravian College graduate, teaches sophomore and junior English and is varsity football coach. MRS. JANE DECKER was graduated from Alfred University in New York and teaches sophomore English. MISS JACQUELINE WEST, the adviser to the Blue and White Standard, was graduated from Indiana State College and teaches senior English. MISS ESTHER EISENBERG, a graduate of the University of Massachusetts, teaches sophomore and junior English. Miss Eisenberg is coach to the band majorettes. DR. ELISABETH MOSER, our exchange teacher, attended Innsbruck University and Birmingham University in England. Dr. Moser teaches one class in junior English. ALAN MILLER teaches junior and senior English and developmental reading. Mr. Miller earned his B.A. degree from Lafayette College.

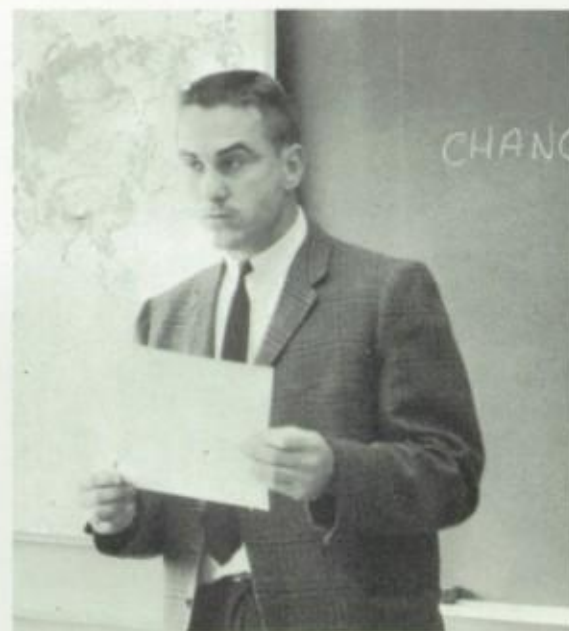

Vocabulary study is an integral part of the sophomore English program. The above students are identifying the irregular parts of verbs.

Institutions Are Explored

Projects in American History are the order of the day as students and Mrs. Miriam Zell examine numerous possibilities.

World Cultures, American History and Problems of Democracy are the three different fields of Social Studies the students of the Nazareth Area Senior High School are offered.

Studying about all of the aims, ambitions, struggles, defeats, and victories of man, since the beginning of time, prepares us for our own lives. The students are taught to understand the importance of man's existence on earth. If we understand the reasons for man's past defeats and victories, we will be able to better cope with the problems presented in our later life and to help build a better world.

BARRY BOYER, who was graduated from Elizabethtown College with a B.S. degree, and RICHARD J. SCHMOYER, a graduate of Kutztown State College, B.S., and New York University, M.A. are the instructors who present World Cultures to our Sophomores. Mr. Boyer is our varsity basketball coach. Mr. Schmoyer advises the Comet and was honored this past summer by being chosen one of three Pennsylvania teachers to at-

tend a Workshop on Basic Issues in Citizenship held at Tufts University.

The American History course explains the responsibility of upholding the traditions and customs of the United States. It also deals with the causes and effects of the many wars in which the United States was involved. MRS. MIRIAM ZELL, a graduate of Susquehanna University with a B.S. degree and RONALD LEWIS who was graduated from Bloomsburg State College are responsible in this area along with JAMES EVANKO, a graduate of Moravian College with a B.S. degree. Mr. Lewis is assistant junior varsity football coach.

Problems of Democracy is the study of today's world. The students suddenly realize that the problems of the world will soon rest upon their shoulders. They study the basis of their economy and the importance of maintaining a stable one. QUENTIN ZELL with a B.S. degree from Moravian College and an M.A. degree from Lehigh University, RONALD LEWIS and RICHARD SCHMOYER guide us in coping with the world's issues. Mr. Zell advises the Chess Club.

Providing the student with an understanding of the basic principles of business so that the student may carry on their personal, social, and civic responsibilities, and to introduce the student to the fundamental business skill and knowledge, are the major aims of the Business Education curriculum.

Introduction to the basic office machine is offered in Typewriting I and II. Elementary operation, the development of speed and control, and techniques of office procedure guide the student to a mastery of this skill. BELVA S. KOLESSAR, who earned a B.S. degree at Rider College, instructs Typewriting I and II. Mrs. Kolessar also advises the business staffs of the COMET and the Blue and White Standard. EVELYN M. KILPATRICK, a graduate of Bloomsburg State College, teaches Typewriting I and Business Math. Miss Kilpatrick is the Choral Concert Coordinator.

Reading and writing of shorthand characters for dictation and transcription, with an emphasis on the needs of businessmen and companies in the area are covered in Shorthand I and II. Introduction to and use of the different machines used in the business office is offered to the student in Office Practice. VIRGINIA R. GRAVER, a graduate of Syracuse University with a B.S. degree and New York University with an M.A. degree, instructs in this area.

Bookkeeping I and II is arranged to familiarize the student with the primary types of business activity and business practices, and to develop habits of accuracy, independent thinking, legibility,

promptness, and thoroughness. Instructing in the area of Bookkeeping is MRS. MILDRED O. METZ, a graduate of Rider College with a B.S. degree. Mrs. Metz also teaches Business Math and is co-adviser to the Senior Class.

General Business, Consumer Economics, Salesmanship, and Record Keeping provides the students with a series of projects that help the student to develop a vocabulary and understanding of business terms and techniques, a system of intelligent spending and training in the values of planning and forecasting. A. JANE JARRETT, a graduate of Bloomsburg State College with a B.S. degree, is responsible for these four offerings. Mrs. Jarrett also is adviser to the Sophomore Class and the Honor Society.

Every effort is made to keep up-to-date with the latest office equipment. Loretta Christman types letters from a dictating machine as part of Office Practice requirements.

Speed and control, the basic skills of typewriting, are realized through many hours of practice. Connie Petrie checks the rate she attained in a timed writing in Typewriting I class.

Mrs. Mildred Metz strives to develop in her Bookkeeping students an appreciation of the opportunities of accounting as a vocation. Patricia Shiner and Alan Heller check an adjusting entry.

Classes Devoted to Developing Pupils' Creativity

Boys put their skill and training to work by producing many useful articles in the wood shop.

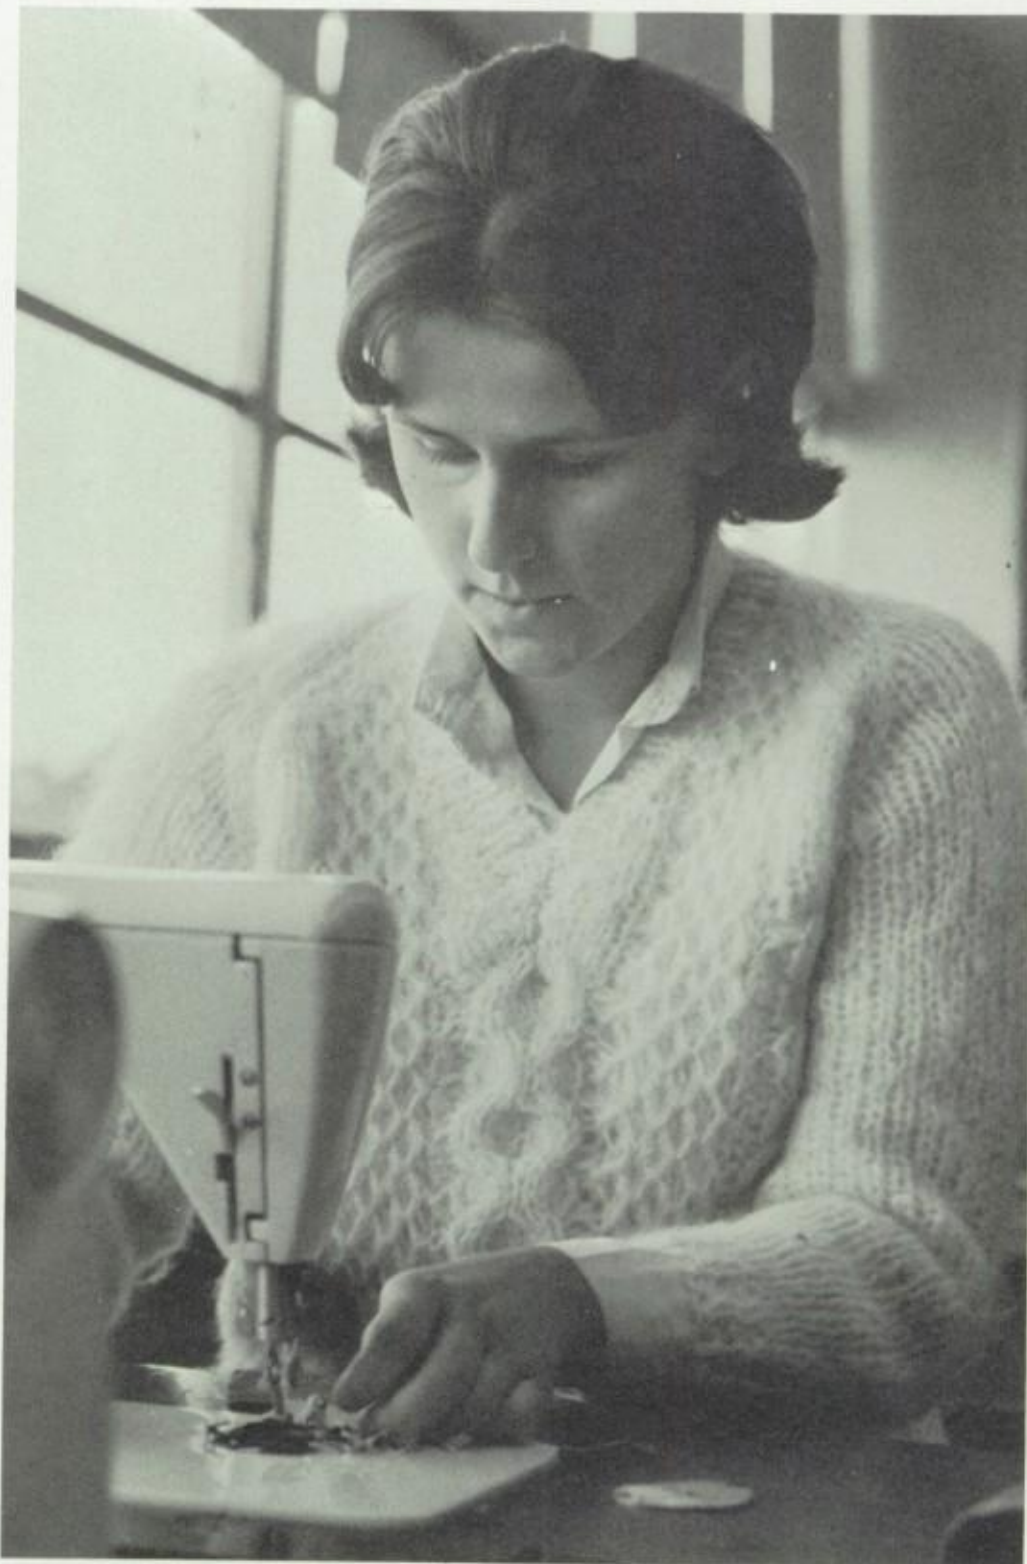

Art I and II and Arts and Crafts classes work with oils, water colors, clay, glass, metal, mosaics, and other materials. Many of the students work toward the art awards which are presented at the end of each school year to the student with the best year's work.

Industrial Arts program and Mechanical Drawing help the boys to work manually as well as scholastically. Shop students construct wood projects such as chests, gun racks, book cases, and end tables. Machines used include the band saw, table saw, jig saw, jointer, planer, and belt sander.

Boys in the metal shop make frames and metal tools.

In Mechanical Drawing, students learn how to transfer representations in books onto paper. The T square, triangle, measuring scale, compass, ruling pens, bow pens and pencils, and the drawing board are examples of the equipment used.

The object of the Homemaking Department is to prepare young women to become successful home makers. They are shown how to prepare a wide variety of recipes, sew skirts, suits, and dresses. Classes are held in child care, family relations, finances, housing problems, and home management.

Donna Horn adjusts her machine before completing a wool suit in Homemaking Class.

Use of Leisure Time”

Not only the mind of a well-rounded student must be developed, but also the physical aspects of his daily life must be considered. It is the aim of the Health, Physical Education, and Driver Education departments to meet this challenge.

Good living habits and the appreciation of moderate use of the human machine is projected in the study of Health. RAYMOND NUNAMAKER, a graduate of Penn State University with a B.S. degree, and JAMES M. ROTH are responsible for this instruction. Mr. Nunamaker also serves as varsity wrestling coach.

Coordination of body and mind, good sportsmanship, and a sense of poise and balance are emphasized in Physical Education. ANDREW S. LEH, a graduate of Muhlenberg College with a Ph.B. degree and a M.A. degree from Columbia University, and Raymond Nunamaker are responsible for training the boys. Mr. Leh is varsity baseball coach, sponsors the boys' intramural basketball program, and is our Athletic Director. MRS. RUTH ANN McCAY, a graduate of Penn State University with a B.S. degree, instructs the girls. Mrs. McCay also sponsors girls' intramurals, is cheerleader coach, and girls' varsity basketball coach.

Attempting to improve driving habits and to appreciate the mechanics of an automobile is the function of Driver Education. Theory and practical behind-the-wheel experience is offered. GUY OWENS, a West Chester State College graduate with a B.S. degree, directs the students toward safe-driving habits. Mr. Owens is head junior varsity football coach.

Eagles Tie for L-N-L Championship

Despite a lack of overall team size, the 1965 Blue Eagles proved to be one of the most exciting and spirited teams in the history of Nazareth High. Led by a combination of a new stadium, new uniforms, and new spirit, the Eagles soared to an impressive 7-3 record and a tie for the league championship.

The Eagles opened the 1965 campaign with a hard-fought 19-13 victory over a strong Governor Mifflin team. The Mustangs took the opening kick off and marched for the score with their All-Berks County fullback Gary Williams crossing the line on a short buck. The Big Blue came storming right back to take a 13-7 lead with Harold Kahler and Ricky Metz doing the scoring. Near the end of the half, Mifflin tied the score on a pass play. The entire third quarter was played to a stalemate, but a fourth quarter interception by Kim Albert set up the Eagles' final score. Ricky Metz's second touchdown of the evening came on a slant play which gave the Eagles a 19-13 first game

victory.

The following week saw the Eagles win the first game ever played in the new Andrew S. Leh Stadium. Worked up to a high emotional pitch for the dedication of the new stadium, the Big Blue buried the Hellertown Panthers under a five touchdown avalanche. Kenneth Shiffert, Harold Kahler, Ricky Metz, and Herbert Fries all scored in the 32-6 rout. Nazareth got off on the right foot early in the first period when Harold Kahler took a punt on the Eagle 25 and with a wall of Nazareth blockers raced 75 yards for the score. A short time later Louis Schrenko hit end Kenneth Shiffert on a long scoring pass for the second score. Schrenko and Shiffert again teamed up late in the second quarter when Schrenko hit Shiffert with a 12-yard scoring pass giving Nazareth an 18-0 halftime lead. In the second half the Eagles resorted to razzle-dazzle to put the game out of reach. Ricky Metz scored on a 65-yard flea flicker pass and Herbert Fries hit pay dirt on a 45-yard double re-

verse. Hellertown's score late in the game ruined the Eagles' bid for a shut-out, but this did little to dampen the team's spirit as they dedicated the game ball to Mr. Leh.

In the third game of the season Nazareth met a scrappy Lehigh team in Leh Stadium. The teams battled to a 0-0 halftime score as neither team put up a serious scoring threat. In the third quarter fullback Ron Klein bucked over for the Eagles' only score. This proved to be enough as the Eagles shut out the Indians 6-0.

The Whitehall Zepheros were the next to fall as Nazareth scored its second straight shut out victory 14-0. Early in the game, End Terry Jones blocked a Whitehall punt which rolled into the end zone. Terry's brother Hugh pounced on the ball and the Eagles had six points. In the fourth quarter Hugh set up Nazareth's last score as he intercepted a Whitehall pass and returned it to the 9-yard line. Two plays later Rick Metz scored on a counter play to complete the scoring.

Little Blue Show Winning Potential

Two unfortunate breaks led to the Eagles' first defeat in their fifth game of the season. Two long second-half touchdown runs by Parkland's Mike Herb lifted the Trojans to a 20-17 victory. Despite the defeat, the game proved to be one of the best performances by a Nazareth team. The Big Blue twice came from behind to take the lead and come within only four yards of pulling the game out in the last quarter.

Still smarting from their defeat at the hands of Parkland, the Eagles returned home to smash visiting Pen Argyl 26-6. Early in the first period, Quarterback Jerry Lilly hit End Ken Shiffert with a pass to put the Eagles up 6-0. The first half ended in a 6-6 deadlock as Pen Argyl's Keith Hintos ran back a second period pass interception for a touchdown. The beginning of the second half also signified the beginning of a rout as the Eagles rolled up 20 more points to beat Pen Argyl 26-6 for the first time in four years. A 60-yard punt return by Harold Kahler and two scores by Rick Metz accounted for the scoring.

Our Big Blue defeated an aroused Bangor High team by a score of 6-0. Jerry Lilly provided all the scoring on a six-inch quarterback sneak in the second half. Despite the low scoring game, the Eagles' attack racked up over 300 yards rushing. Fullback Gail Smith picked up 175 yards alone, which was more than the entire Bangor team.

The following week a combination of injuries and bad breaks gave a powerful Northampton team a 26-13 win over our Eagles. A bad pass from center, an intercepted pass, and an onside kick attempt which failed, led to three of Northampton's four touchdowns. Nazareth's two scores came on passes of 45 and 55 yards from Jerry Lilly to Richard Snyder.

The Blue Eagles got back on the winning track the following week against East Stroudsburg. Three second period touchdowns put the game out of reach as the Eagles offense went into high gear. Rick Metz opened the scoring with an 8-yard run. A short time later Quarterback Lou

Schrenko hit Kenneth Shiffert with a pass for the second score of the game. Still later in the second quarter, Gail Smith scored on a 2-yard buck into the center of the line. John Davis finished the scoring for the night on a 5-yard slant play. Final score was 25-7.

One play spelled disaster as the Eagles went down to a 7-6 Turkey Day defeat at the hands of arch rival Wilson. On a second and ten situation in the first period, the Wilson fullback broke into the clear and went 79 yards for the score. The Warriors kicked the extra point which proved to be the final margin of victory. Nazareth's only bright spot came in the fourth quarter when Herb Fries capped a 58-yard drive by scoring on an off tackle slant from the 3.

Despite the loss to Wilson, the Blue Eagles finished in a 4-way tie for first place. This marks the second consecutive year that Coach James Evanko has guided Nazareth to the top of the Lehigh-Northampton League.

Boosting School Spirit and School Morale

All cheerleaders serve one year on the junior varsity squad. These six girls add spirit to junior varsity and girls' basketball games, wrestling matches, and pep rallies.

Besides cheering at football and basketball games, the varsity cheerleaders are responsible for pep rallies. After our first football defeat, the skit, "Is Our Spirit Dead?" was especially effective in reviving team and fan morale.

New cheers and new uniforms, made by the girls themselves, improved the performance and appearance of the varsity squad during basketball season.

Time and effort spent by cheerleaders in serving the school has helped to make our teams successful and our spirit very much alive.

Eagles Gain Third Straight Championship

COACH BARRY BOYER

COACH BARRY BOYER goes over plays with senior members of the squad Kenneth Shiffert, Richard VanNatta, Craig Siebler, John Keppel, Brett Williams, and Jerry Lilly.

Nazareth Eagle, Paul Simons, leads the players on to victory.

Jerry Lilly makes a lay up appear simple.

Despite a lack of overall height and experience, our 1965-1966 basketball team did it again—captured the Lehigh Northampton League Northern Division basketball championship. Height wasn't the team's only handicap, however, for a number of the players were also on the football squad and reported to practice a few weeks later than the rest of the team.

The lack of practicing together hurt the team during the first few games, and the record before the first League game was 1-5. After bowing to Bangor in the first League game, our cagers went on to win the next nine games by defeating Parkland, East Stroudsburg, Southern Lehigh, Pen Argyl, Northwestern, Wilson, Palisades, Hellertown, and Bangor.

Fountain Hill finally broke this streak, defeating the Eagles at Fountain Hill. This didn't discourage the team, however, as they came back to defeat East Stroudsburg and finally clinched the Northern Division championship by trouncing Pen Argyl. Nazareth then lost its first league game in three years on our home court to Wilson in six overtime periods. The final game of the regular season was also ended in a Nazareth defeat.

Blue Eagles bowed to Fountain Hill in the play-off game for the Lehigh Northampton League crown.

COACH RAYMOND NUNAMAKER

Coach Nunamaker, a Penn State graduate, has done outstanding work with our boys to push wrestling to a record high in Nazareth. Mr. Nunamaker took his grapplers to the top this year when his team became champions in the league. Continued coaching such as this can only bring success, victories and promote good sportsmanship for future Nazareth wrestlers.

Coach Drust, a graduate of East Stroudsburg State College, has aided Mr. Nunamaker and his wrestlers tremendously.

Nazareth wrestling fans witnessed the winning of the Lehigh-Northampton League crown by a group of eager, well-coached grapplers. Good conditioning was a major factor in the Eagles' team record of 11-2 overall and 8-1 in League standings. Nazareth shared co-championship with Hellerton and Wilson. Nazareth racked up a total of 510 points for the season, against the total opponent

score of 140.

The team consisted of 8 seniors, 13 juniors, 10 sophomores, and 12 freshmen. Six seniors holding fine records will be lost through graduation—115 lb. Jim Hahn, 13-0; 148-lb. Rick Metz, 6-4-1; 157 lb. Gail Smith 12-1; 168 lb. Ron Klein, 13-0; 183 lb. Charles Zurowski, 10-3; and heavyweight Jerry Schweitzer, 11-0-2.

Nazareth High's 1965 baseball team finished the season with a 5-6-1 record. They were 4-6 in league play.

Eagles' first games were non-league tilts as they shut out Southern Lehigh 9-0 and tied Whitehall 7-7. In the first league tilt the Big Blue bombed Pen Argyl 9-0.

Wilson took the Blue Eagles in the next meet 4-3, and the Eagles fell in the next two meets—Hellertown 5-0, and Bangor 3-1.

Eagles claimed victory in the next two games, 7-4 over East Stroudsburg and 5-4 over Pen Argyl. Wilson, Hellertown, and Bangor again managed consecutive victories over Nazareth by scores of 2-1, 3-2, and 9-0. Ending the season on a happy note, the Eagles beat East Stroudsburg 10-8.

With five of his nine starting men returning, Coach Andrew Leh can look forward to a fine 1966 season.

Nazareth opened its 1965 track season in fine style defeating Whitehall 67½-22½ and Palisades 74-25. In the third meet, Lou Schrenko's second place in the broad jump clinched a close 51-48 victory over a strong Hellertown squad. Arch-rival Wilson also went down in defeat on the last jump of the last event as Lou Schrenko again clinched a 51-48 victory for the Big Blue.

The next meet proved to be the longest in Pennsylvania history as the final outcome was not known until 10:30 that night. A controversy developed over a new rule which was not settled until Coach Illick has consulted with PIAA league officials. Coach Illick then phoned each member of the squad and personally assured them of the 50-49 victory. Bangor had too much Brown for the

Big Blue as the Slaters dealt Nazareth its only loss of the season 59-40. Led by Tom and Sam Brown, Bangor took 8 events to the Eagles 3.

In the next meet, Nazareth got back on the winning "track," taking 8 events as they chopped East Stroudsburg 58-41. Nazareth finished the 1965 track season in a tie for the Lehigh-Northampton League championship with an overwhelming 80-19 victory over the Green Knights of Pen Argyl. Schrenko set a new field record with a twelve-foot leap in the pole vault.

Nazareth ended the season by coming in fifth in the League Meet at Prakland. Lou Schrenko paced the Eagles with firsts in the pole vault and the broad jump.

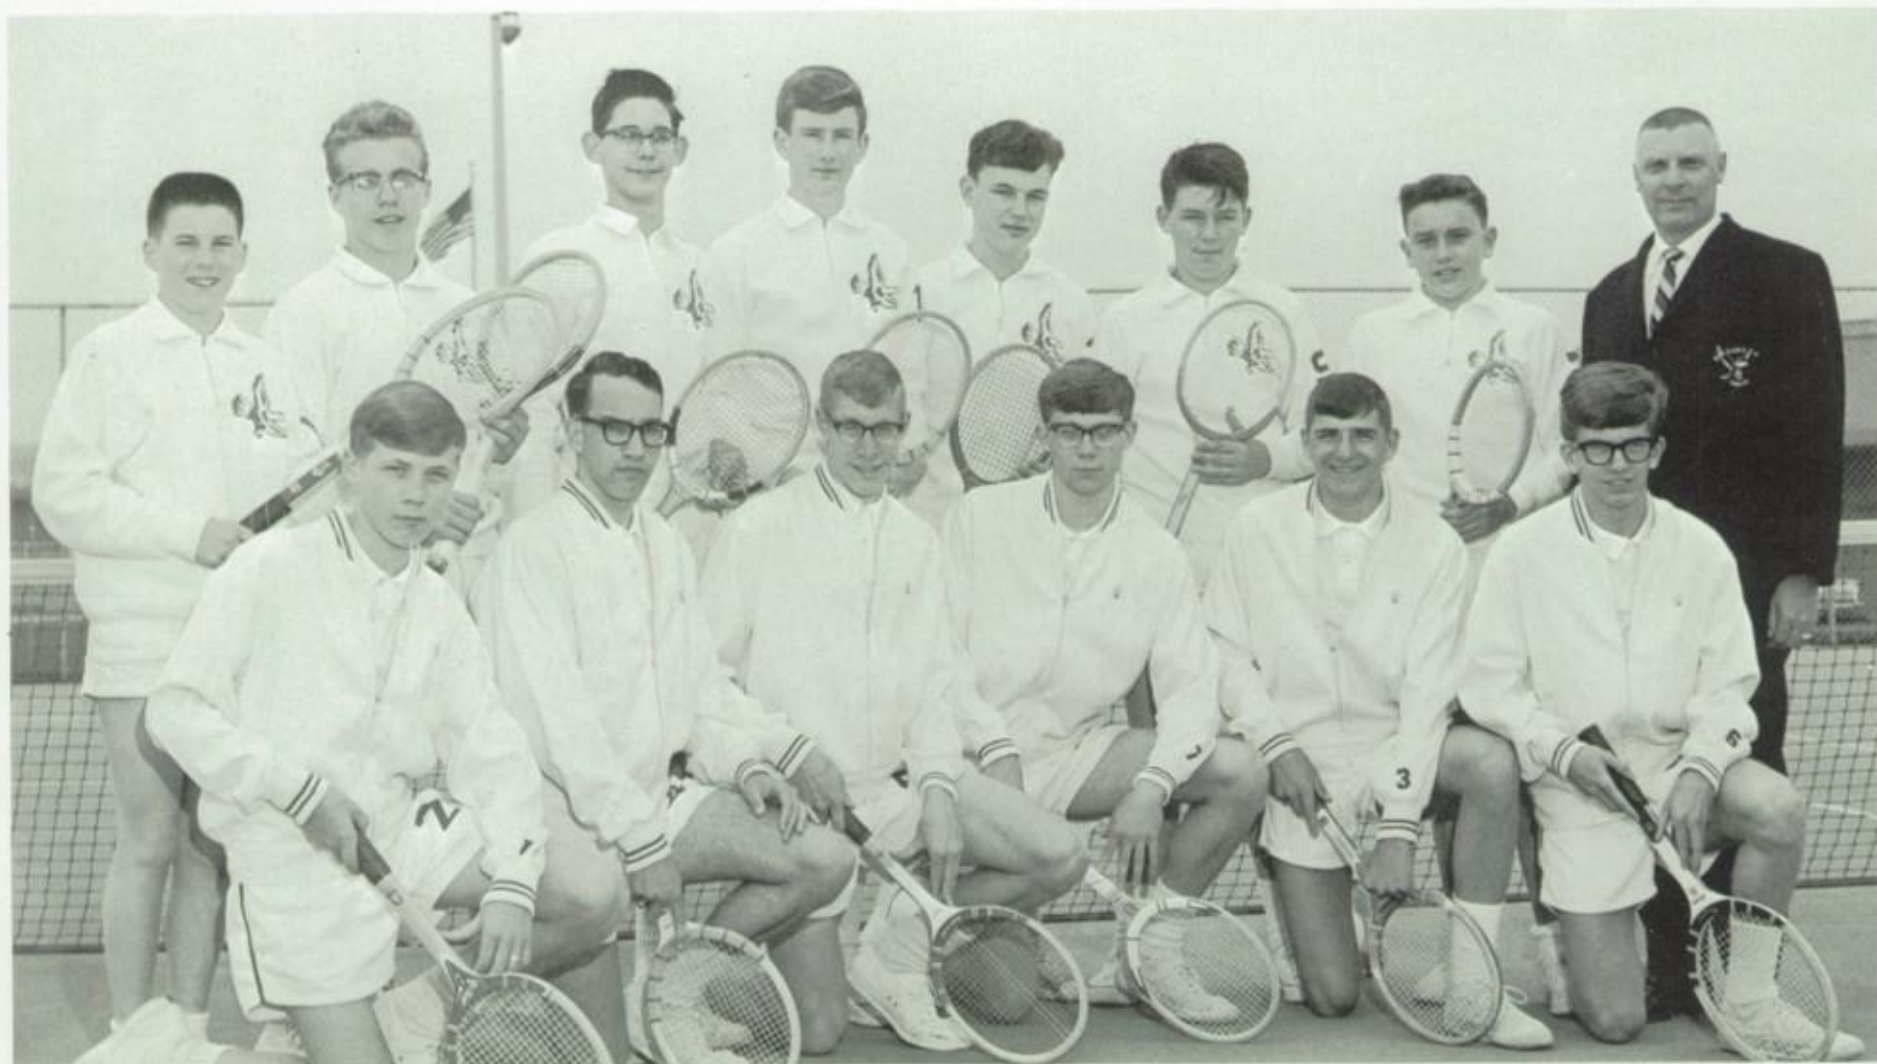

Willie Johnson displays Spartan form in the broad jump.

STERLING BUSS teamed in doubles with GERALD WOLFE to represent Nazareth in the District XI tournament held at Easton.

Coach Edward Christman's 1965 Blue Eagle tennis team compiled a fine record of seven wins, five losses, and two ties. Three returning lettermen—Edward Christman, Jr., Gerald Wolfe, and Thomas Clewell led the team to a winning season.

This 1965 season was the third time in the history of the squad that the Eagle netmen have had a winning season. Since Nazareth entered the league in 1956, winning records were compiled in 1962, 1963, and 1965.

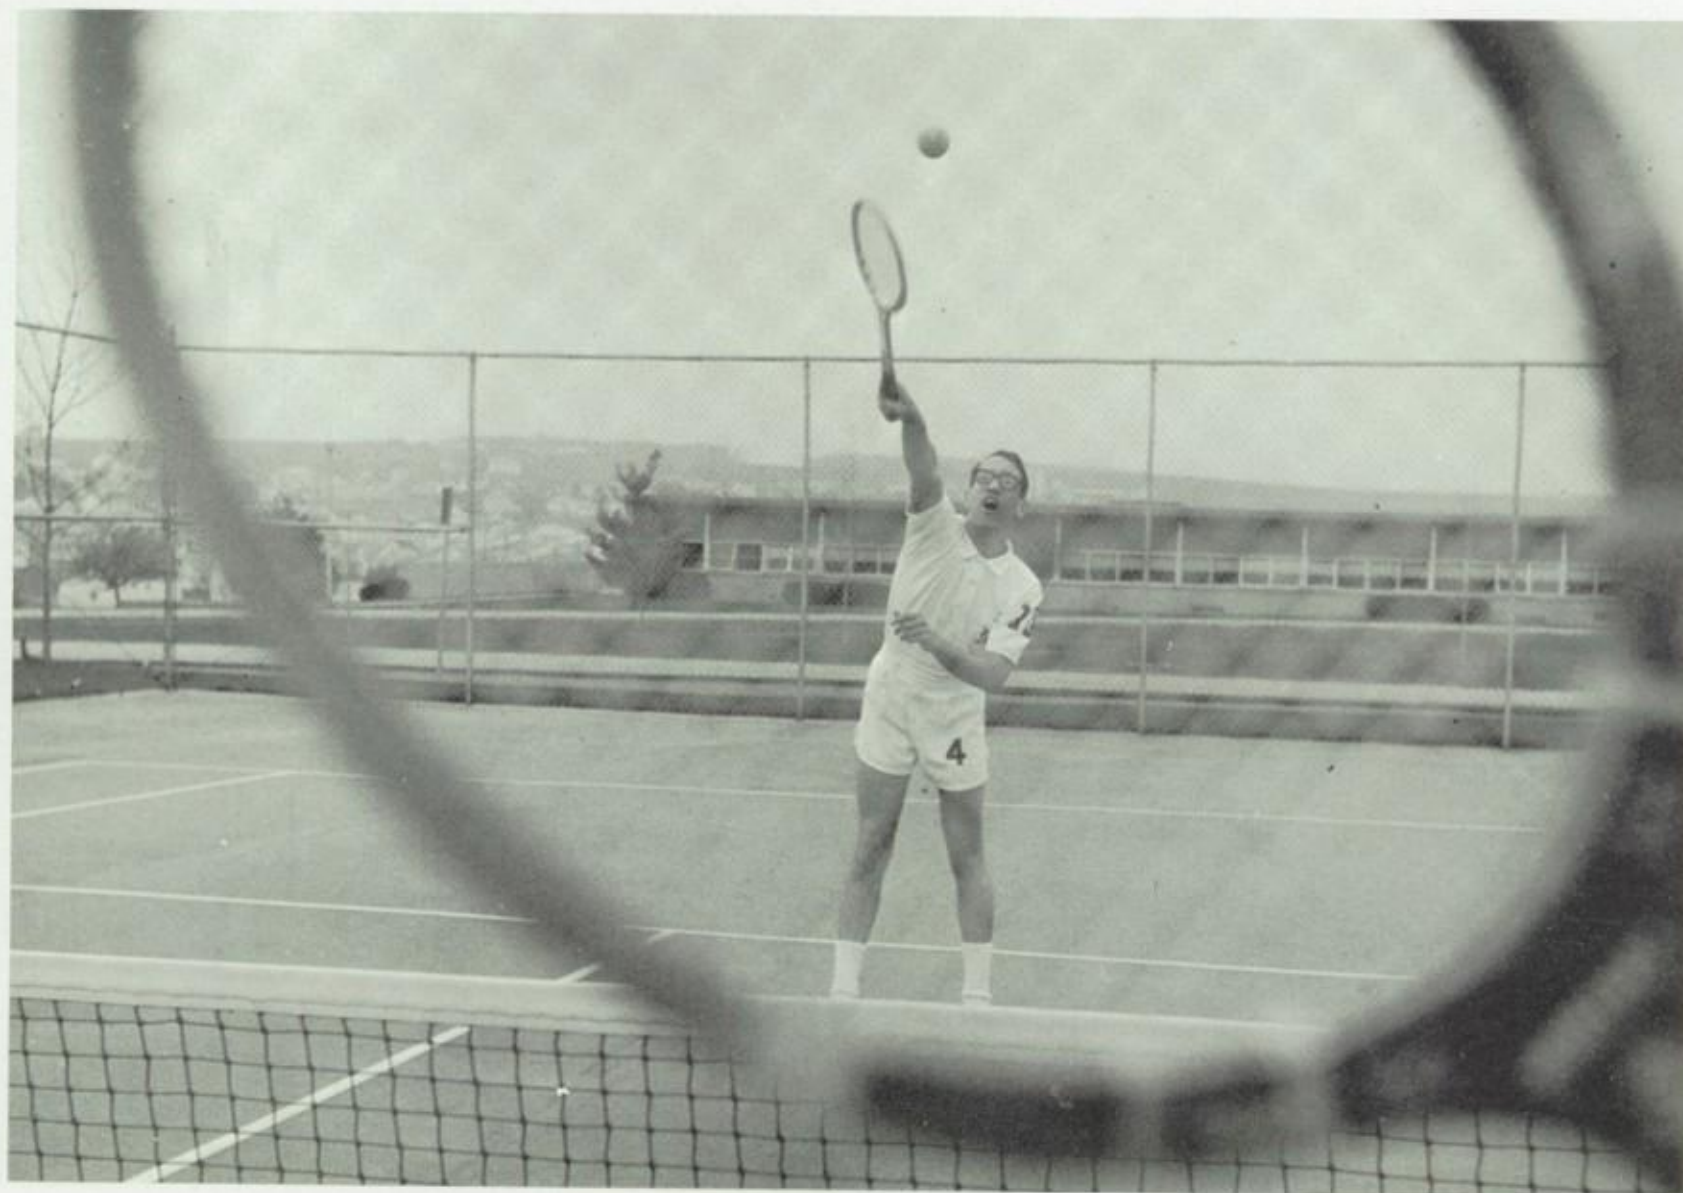

Our 1965 Blue Eagles scored double wins over Dieruff, Emmaus, Wilson, and one win over Easton. The squad was defeated twice by Bethlehem and Reading and suffered one loss by William Allen. The two ties were recorded against William Allen and Easton.

Sterling Buss and Gerald Wolfe teamed in doubles to represent Nazareth in the District XI tournament held at Easton. They were defeated in their first match by a strong Bethlehem team who eventually went on to win the district title.

This year's Student Council was organized during the '64-'65 school term when the student body elected Glenn Katzer, president; Miles Fogel, vice president; Lorraine Abel, secretary; Cynthia Tauschman, treasurer.

Student Council is divided into five committees: one responsible for publishing and revising the Handbook, a publicity committee responsible for the announcement of Student Council activities, an assembly committee, and a

committee on Constitution and By-Laws which revises the schools code.

Honor Society and Student Council are two of the most important organizations in the Nazareth Area Senior High School. Honor Society members are selected on the basis of high scholastic ability and Student Council members are elected by the Student body.

The Delphian Chapter of the National Honor Society is or-

ganized for the purpose of stimulating scholarship and for recognizing those students who have shown ability and aptitude. To be eligible for membership in the Society, juniors must have an average of 90 or above during their sophomore year; seniors must earn an average of 88 or better for two years. Members are selected because of five outstanding qualities; character, citizenship, scholarship, leadership, and service.

Prom Committees Work Hard in Creating Exotic Atmosphere

"Who says I'm not working hard?" asks John Keppel as he makes final adjustments for the decorating committee.

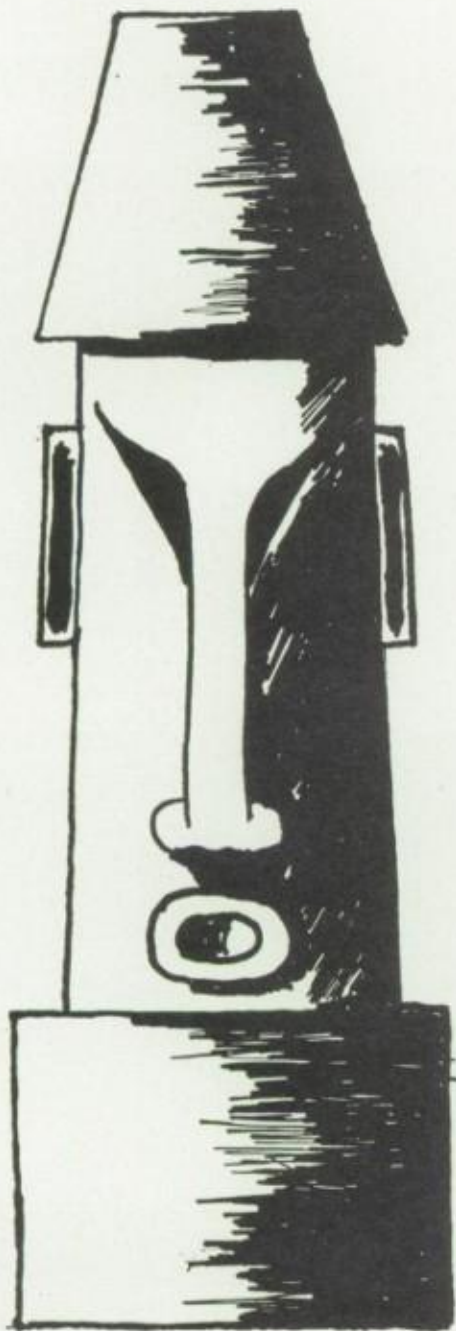

Linda Eckhart, Janet Hunt, Lynne Allen, Lorraine Abel, and Carolyn Smith pause to admire the mysterious Tiki, center theme for our Island in Paradise.

Exotic flowers for "Paradise Island" took many hours of hard work for Karen Schisler, Carole Klipple, and Susan Heckman.

MRS. JUDY KEHLER

ROBERT REICHARD

MRS. LOIS CRAIG

MISS JEAN CLUTE

Mrs. Judy Kehler, Robert Reichard, Mrs. Lois Craig, and Miss Jean Clute assisted the many committees in producing a most successful prom.

Paving the pathway to the queen's throne are Richard Weiss, Rosemary Behler, Maureen Koehler, Gail Smith, and Glenn Kratzer.

Stephanie Amadore's plan, considered the most unusual and creative of the several plans submitted for the theme of the 1965 Prom, was titled "Paradise Island." The theme was carried out by hard-working committees which transformed the spacious gym into a lush, green jungle with a glorious sunset surrounding the queen's throne. Rushing and running up to the very last minute, we crawled, glued, and stapled until all was complete. Our advisers helped solve the many problems that go into a prom's preparation.

As the magic hour approached, the "Island" gradually filled with dancing couples. All the tropical atmosphere lent itself to a perfect evening.

"Paradise Island"

Entering "Paradise Island" through a bamboo hut, guests sign the register and receive dance programs.

Excited couples arrive for a never-to-be forgotten evening.

Guests pause for tempting refreshments served by the sophomore pages.

Music by Vincent Pettinelli's orchestra provides the romantic rhythm for our night in "Paradise."

The Queen Reigns

"Paradise Island" was the truly exotic scene of the Junior-Senior Prom on May 28, 1965.

Entering the gymnasium lobby, which represented a native hut, we first became aware of the jungle atmosphere. Palm trees, bamboo walls, warriors' masks, even the melon balls and fruit punch for refreshments added to the tropical theme.

With its blue sky and bright green foliage, the gym was scarcely recognizable. Fruit centerpieces on the individual tables and large, bright flowers among the leaves and around the orchestra's bamboo hut added color to this background. A huge Tiki dominated the center of the dance floor.

In front of a brilliant sunset effect on the stage, Sharon Kahler was crowned Queen of "Paradise Island."

At midnight we emerged from the jungle and drove to the post-prom activities at Hotel Bethlehem. After a cold buffet supper, we moved into the ballroom. "The Teachers," three faculty members, provided musical entertainment and we danced again until 4:00 a.m. After a slow trip home, we had only wilted corsages and battered dance programs, but lasting memories of one night on "Paradise Island."

Junior Class President William Kehoe crowns SHARON KAHLER Queen of the 1965 PROM.

Queen Sharon is surrounded by her court: Gloria Kametler, Linda Yuhasz, Barbara Garner, and Linda Searock.

"Oh, shut up!" screams Myrtle as she furiously slaps an innocent bystander.

"Sacre bleu! Quel dommage! . . . Why should I defend you? Him—You gave him your heart. Me, you took my pajama bottoms."

"Bagels anyone? Get your red hot bagels," calls Benjie as he passes out bagels to the swinging scholar crowd.

Lorraine Abel and Ingrid Goserud patiently prompt senior class players during endless hours of practice.

Student Directress, Barbara Keck, does everything from keeping players quiet backstage to setting up scenery.

"ALL SHOOK UP", a three act comedy-farce by David Rodgers, was presented by our Senior Class on Friday and Saturday evening, November 19 and 20.

The presentation turned out to be a very hilarious one, playing to a full house both nights. The cast agrees that the rehearsals were even more hilarious. Everyone had fun eating bagels and drinking chocolate milk, to say nothing of dancing to that wild bongo music as the siren wailed.

Everytime we rehearsed the scene when "Pierre's" pajama bottoms came off, we all had to stop everything until we finished laughing. "Benjie" always had us in suspense, because no one ever knew what he was going to say next! He never said his lines the same way twice.

Miss Mesko did a wonderful job and managed to stay in good humor most of the time as she worked with that noisy, rambunctious cast of 24. She was aided by Barbara Keck, student directress, and Ingrid Goserud and Lorraine Abel, prompters.

The make-up crew, Linda Gilbert, Elaine Konya, Carol Magditch, and Joan Thompson did an excellent job. The stagecraft crew consisting of Bruce Flick, Warren Wunderly, Alan Fretz, Donald Jones, Jessie Hahn, and Jeff Patoki was invaluable.

FLOYD E. SCHLEGEL
CHORAL DIRECTOR

Two hundred thirty students make up our four choruses. Under the direction of Mr. Floyd Schlegel, our groups participate in two concerts and in assemblies. For the first time, our Christmas Concert entertained a full house both Saturday evening and Sunday afternoon. The theme for the Spring Concert is "America, Our Heritage," featuring patriotic songs and also selections from musicals and folk songs from many different countries. All our musical experiences have helped to make this an unforgettable year not only for the seniors, but also for the underclassmen, and for all of Nazareth.

FLOYD E. SCHLEGEL, director of all the Nazareth Area Senior High School's choral groups, was graduated from Penn State University where he earned B.S. and M.Ed. degrees. Mr. Schlegel teaches music theory, music appreciation, and gives instruction on the organ.

Bruce Winter Chosen for District Band

AUGUSTINE CARL WEINHOFFER, director of the school band, also teaches instrumental music. He received his A.B. degree at Muhlenberg College and his M.A. degree at Lehigh University.

Mr. Weinhofer's band practices many hours to present routines for each football game. During the 1965 football season, "Hello Dolly" was used to build routines. The majorettes used routines very different from those presented in previous years.

Two concerts every year add to the band's hours of preparation.

AUGUSTINE CARL WEINHOFFER
BAND DIRECTOR

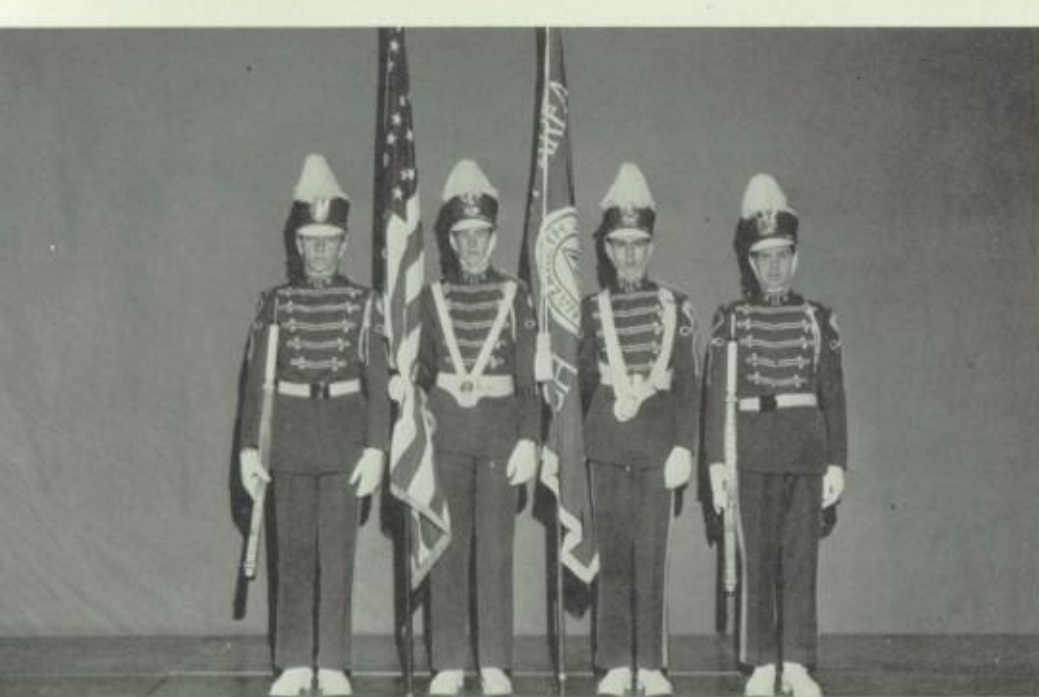

Our Nazareth Area High School band can always be seen participating in the Borough's annual Halloween and Memorial Day parades, and is called upon by the school for special events, such as play-off games and assembly programs.

Practicing hours of the band are limited to school time. Many hours before and after school are devoted to perfecting the band's public appearances.

LAYOUT STAFF

Carol Paukovits, Mayna Rader, Richard Weiss, Regina Fredericks, Doris Krebs, Linda Gilbert, and Mary Getz decide which pictures will best fit their layout.

EDITOR OF THE COMET, Joan Thompson, files the staff's completed deadline material.

Comet Gathers

Fifteen members of the 1965-1966 COMET Staff, consisting of 12 seniors and three juniors, have altered procedure patterns to produce a better yearbook. Instead of assigning each person to a specific section, each is assigned to a certain job, such as layout, writ-

ing, or reporting. In this way each section reflects the ideas of many personalities.

Our first weeks of school were used for group discussions to plan the overall yearbook and make basic decisions.

ADVISER Richard Schmoyer and Editor Joan Thompson discuss the merits of various types of covers before coming to a final decision.

SPORTS EDITORS, Glenn Kratzer and Richard Weiss complete the football layout.

BUSINESS ADVISER Mrs. Belva Kolessar suggests to the editor and her staff that the advertisement section could be enlivened with candid photographs.

he Year's Events

We worked as a group, planning the various sections, and met our first deadline a week early. When the proofs arrived, the staff checked carefully for typographical errors.

This cyclical pattern of work was repeated until the book was completed.

STAFF TYPIST Linda Altemose prepares one of the many dummy sheets that comprise the yearbook.

STAFF PHOTORAPHER Barry Kromer focuses his camera.

Regina Fredericks, Doris Krebs, and Donna Spangler write captions and headers to fit the prom and senior play layouts.

Journalistic Achievements Recognized

ADVISER MISS JACQUELINE WEST must be constantly on the alert for new ideas and trends to make our paper interesting and appealing to our students.

Senior play pictures are the main topic of discussion as Reporter Regina Fredericks interviews Doris Krebs.

One of the purposes of a high school paper is to teach students independence. A good paper requires competence in management, assumption of responsibility by each department, and cooperation throughout.

Designing layouts, gathering information, writing copy, editing, typing, and proofreading are daily tasks of an efficient news staff.

Members of the Blue and White Staff of 1966 worked long hours in order to keep the student body informed on school activities and community news.

Editor Judith Kalinyak, assisted by Adviser Miss Jacqueline West, chooses topics and

makes writing assignments to the reporters, whose job it is to go out and gather the news. Feature Writer Helen Fogel may be assigned to interview a new teacher or to write an amusing story.

News Editor Susan Letson and Sports Editor Thomas Clewell are responsible for the reporting of current happenings in school and are in charge of their individual staffs.

Photographer Barry Kromer snaps all the pictures used in the Blue and White.

George Miller's job is to arrange for the exchange of papers with other schools in our area.

Discussing the layout of another issue of the BLUE AND WHITE STANDARD are Adviser Miss

Jacqueline West, Editor Judith Kalinyak, Sports Editor Thomas Clewell, Photographer Barry Kromer.

BLUE AND WHITE STAFF MEMBERS

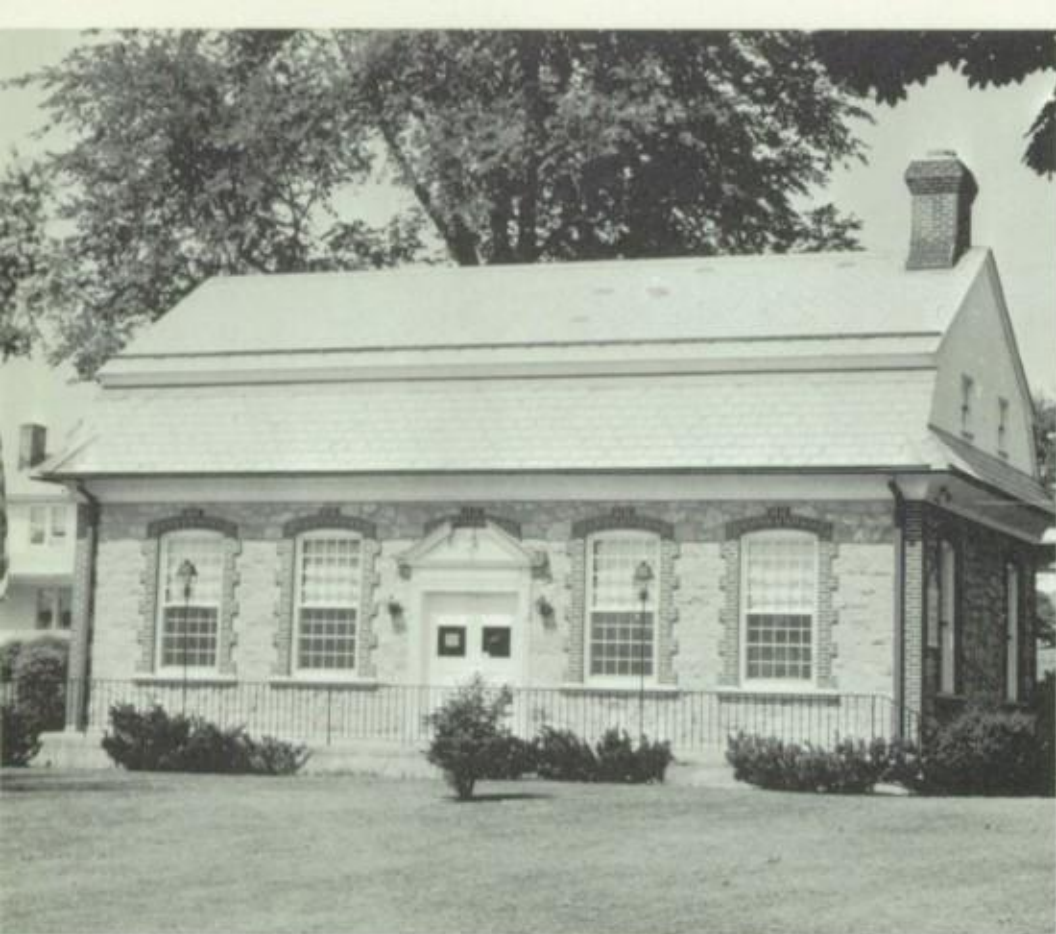

SEATED: Andrew Barr, Barbara Brown, Regina Fredericks, and Linda Huth. STANDING: Jeffrey Noecker, Linda Wilson, Susan Young, Karen Zeiner, Linda Leopold, Susan Neuner, Sandra Rennie, Bonnie Santee, Carol Werner, Carol Rutt, and Nancy Slutter.

ner, News Editor Susan Letson, Exchange Editor George Miller, and Feature Editor Helen Fogel.

THOMAS CLEWELL and GEORGE MILLER organize the sports page in order to meet an approaching deadline.

A Look Into the Future

Now, as we leave high school, familiar faces, experiences, and surroundings are gone. What the future brings us will depend largely upon how well this school has prepared us for life. Wherever we go and whatever we do, we shall be building upon foundations established during our high school days.

Graduation from high school means the end of many activities. Perhaps we shall never again participate in athletics, attend a prom, or cheer a team to victory, but these experi-

ences will remain as memories of an enjoyable, rewarding phase of school life.

On the other hand, the lessons we have learned will find practical use in every day life. We have learned to work mentally in our studies and physically in athletics. Through our activities, we have recognized the value of cooperation, dependability, and sportsmanship. These years have prepared us not only to earn a living, but also to live with and get along with other people.

Perhaps we do not yet realize what great effects these past few years will have upon our lives. We do not now fully appreciate all that our teachers and advisers have done for us. But later, as we recognize their influence upon us, we will thank them for trying to head us in the right direction.

As we leave Nazareth High, with us we take pleasant memories, academic knowledge, lasting friendships, and the ability to work and think. These vital phases of our school

years will always remain part of us.

As graduates of Nazareth Area Senior High School we are prepared to go out into the world.

We want to thank those who supported our staff: the teachers and administrators who taught us; the students and advertisers who bought our product; our parents who have faith in us. May we fulfill their dreams to create a better world—our tomorrow.
